BASED ON THE **HYUNDAI SANTA FE**

CARLEX URBAN EDITION

The CARLEX URBAN EDITION is a one of a kind SUV which combines urban chic and a sporty character. An intriguing and expressive silhouette, massive wheels, and a bold and stylish interior make it the most designer car in the D-segment in the market.

////////////////////////////////////

The dynamic character of the URBAN EDITION has been marked with a bespoke body kit: the car has a bold and energetic front bumper and an aerodynamic rear part, thanks to designer spoilers and diffuser. The CARLEX URBAN EDITION features stylish arch extensions that perfectly correspond with the minimalist 20-inch alloy wheels. The contrasting wrap film at the upper car's body makes the vehicle look fresh and unique. It is a real head turner!

LIMITED EDITION

SPECIAL EDITION

A bold dark interior of the URBAN EDITION is a combination of elegance and a sporty style. Bespoke front seats, trimmed with leather and quilted Italian Alcantara®, make the interior dynamic and comfortable like that of a limo. Lime decors in the seats, door panels and the steering wheel give the car a touch of originality.

CARLEX URBAN **STEERING WHEEL**

The new shape of the steering wheel guarantees a comfortable grip and a perfect control over the car. The steering wheel has been trimmed with leather and Alcantara® which makes the driving experience even more pleasant and exciting.
